Walk On Water

St Paul's Challenge Award

With God ALL THINGS ARE possible MATTHEW 19:26

The St Paul's Challenge Award is inspired by the Duke of Edinburgh's Award Scheme and is for you to do outside of school, over the next few weeks leading up to House Festival week.

We want you achieve things for yourself, others and the world.

The programme consists of 12 challenges that reflect the four domains of the DofE Award: Volunteering, Physical, Skills and Expedition.

We will be encouraging our pupils to complete some or all of the challenges over the course of the next few weeks. Their efforts will be celebrated and recognised with Bronze, Silver and Gold Awards.

Some challenges will be achieved over time as the aim is to set goals and work towards achieving them, developing resilience, independence, improving personal and social skills and having an impact on others.

We have chosen challenges that are closely linked with the 5 aims of our vision: to inspire, belong, achieve, flourish and believe

How to achieve the St Paul's Challenge Award

You need to complete the following activities – outside of school - and prepare a presentation to share with others.

Your presentation could be:

- A diary with photos
- A poster
- A scrap book
- A PowerPoint presentation
- A video

Some of these challenges are achieved over time and by showing that you have developed skills or improved your ability.

How will you measure progress?

- Before and after pictures
- A chart to show progress
- Some scores over time
