Key Knowledge

- There is much debate and some controversy around the relationship between the accounts of creation in Genesis and contemporary scientific accounts.
- These debates and controversies relate to the purpose and interpretation of the texts. For example, does reading Genesis as a poetic account conflict with scientific accounts?
- There are many scientists throughout history and now who are Christians.
- The discoveries of science make Christians wonder even more about the power and majesty of the Creator.

Dr Jennifer Wiseman

Creation–Christians believe that God created heaven and earth, plants, animals and people.

Cosmology–The Big Bang Theory is a scientific model that describes how the universe began with

Evolution– The process by which living things can gradually change over time.
