Overview

Jews believe that:

•Prayer builds the relationship between God and human beings.

•When people pray, they spend time with God. To pray is to serve God with your heart, obeying God's commandment:
'...to love the LORD your God, and to serve him with all your heart and with all your soul.' ***Deuteronomy 11:13***

•They pray so that their hearts can reach out to God.

•They pray to express and exercise their beliefs.

•They pray to share in the life of a worshipping community.

•They pray to obey God's commandments.

•The important things about prayer are:

*You should do it with total concentration on God- there should be nothing else in your mind.

*The prayer should be completely from the heart.

•They are supposed to pray three times a day; morning, afternoon, and evening.
