9th June 2017

Dear Parents/ Carers

I am pleased to announce that as part of this year's Sports Week I have arranged for Apex 360 to run a couple of sessions using their inflatables. This is the same company that we use to run some extracurricular clubs and holiday camps within the school setting.

The session on the morning of Monday 26th June will be for reception, year 1 and year 2 with each class spending 50 minutes on the inflatables. The pupils will have the use of the obstacle course, bouncy castle and slide.

The session on Tuesday 27th June will be for years 3 to 6 with each class spending 50 minutes on the inflatables. This will take the form of a competition where pupils will compete in their houses. The pupils will have the use of the obstacle course, bungee run, gladiator jousting and sumo suits.

If you wish for your child to take part then a compulsory cost of £4 will need to be made. In order to make your payment you will need to log onto the following site http://www.apex360.co.uk/ and click on the blue tab at the bottom right hand corner of the screen labelled 'St Pauls Sponsorship Payment'. From here you will need to register and agree to specific terms and conditions related to the event. You can then select the appropriate date for your child's event (see above) and make your payment. Unfortunately children for whom we haven't received payment for will not be able to take part in the event.

Please feel free to contact me if you have any questions.

Kind regards

Ian Murton
PE/ PPA Teacher
