Parking

Dear Parents,

Mr Gunning and I are writing to you all to highlight the importance of parking safely around school. As you can see from the image below the parking situation reached a very dangerous level on Monday with parents blocking the entrance to the school and double parking across the school driveway so that no one could arrive or leave the school.

I cannot stress enough how dangerous this is for your children and their safety. The road does not belong to our school; it is manged by Hertfordshire Highways. Mr Winter has often tried to monitor parking but this is not his job. It is your responsibility to park legally.

I completely understand that parking around school is not ideal; however there are a number of other places to park within close proximity of school. I would much rather you were a couple of minutes late for drop off or pick up because you parked safely and your child arrives and leaves school safely.

I ask that you think about the safety of all children in this school before something serious happens.

With Kind Regards

Miss Marie Heraty and Mr Andy Gunning

Head Teacher and Chair of Governors
