Parent Questionnaire – Update and Further Feedback

Dear parents,

Thank you to all of those who have already completed the online survey which uses the same format and questions that are given during an Ofsted inspection so that we can compare our performance year on year. In conjunction with this, we would like to gather more of your opinions at Parents' Evening in the form of comments.
In the hall, on each evening, there will be Post-its and three headings on which to put them. I would like to be able to capture:

- **What Works Well** - WWW – think of the things you like about St Paul's and what you would like us to continue doing.
- **Even Better If** – EBI – think of areas in which you would like to see some improvement.
- **Questions** you would like to ask – think of some questions you may have of us.

These will be used to inform our next School Improvement Plan for the following academic year and we will endeavour to address any improvement suggestions or questions.
I will be available on the night if you have any queries along with representatives from the Governing Body,

Many thanks for your continued support and feedback.

Yours sincerely

Miss Michelle Cohen
