Dear Parents

PARKING

Mr Gunning and I are writing to you all to highlight the importance of parking safely around school. We are often made aware that parents are blocking the entrance to the school and double parking across the school driveway so that no one can arrive or leave the school.

I cannot stress enough how dangerous this is for your children and their safety. The road does not belong to our school; it is managed by Hertfordshire Highways.

I completely understand that parking around school is not ideal however there are a number of other places to park within close proximity of school.

I ask that you think about the safety of all children in this school before something serious happens.

With kind regards,

Miss Michelle Cohen
