Pupil Questionnaire –Feedback

Dear Parents,

We have recently conducted a pupil survey to hear the views of the children at St. Paul's School. All of the pupils in Years 1-6 completed the survey online using our new iPads. Many children made comments to clarify their judgements and these have been shared with governors and staff.

In all areas, you will see that the majority of responses were either 'agree' or 'strongly agree' with the statements. Some children felt that home learning was not as enjoyable as it could be so we will be capturing their views as to how this can be improved. We are keen to work with the children to ensure that home learning is always relevant, clear and fun!

Please find a summary of the responses:

Strengths:

- Pupils at St. Paul's feel happy at school.
- Pupils strongly agree that they feel safe at St. Paul's.
- Pupils feel that school is fun and exciting.
- Pupils believe that children in St. Paul's behave well.
- 97% of pupils feel that all children are treated fairly in St. Paul's (44% strongly agree).
- Pupils know which adult to go to if they have a problem.
- 68% of pupils strongly agree that their teacher shows them how to improve their learning (31% agree).
- Pupils know that trying their best with their learning is more important than being clever.

Even better if:

- Home learning was more enjoyable (19% of survey).
- Collective worship was more exciting (perhaps at a different time of day).

All of the information will be used to inform our next School Improvement Plan for the following academic year and we will endeavour to address any improvement suggestions or questions.

Many thanks for your continued support and feedback. I love hearing what the children have to say and we will work with them to put their suggestions in place.

Yours sincerely,

Miss Michelle Cohen

Acting Head Teacher
