Caterlink Design a menu

We would like all pupils to design a menu for school meals showing us their favourite food options.

Each pupil can either draw or write a menu showing us a main course and a dessert that they really enjoy.

We have been working closely this term to get feedback from all the year groups to ensure that we are offering popular dishes for their lunch time menu.

When we receive these back from the children we will choose a winner from each year group and we will give out prizes for the best menus.

We will then choose an overall winner and we will cook this chosen menu for all the children in the school that wish to have a dinner.

We also welcome any feedback from parents/carers in how you feel we could improve the school meals we offer.

We will be sending this home with pupils during the October half term and look forward to seeing your creative menus.

Please return by Friday 9th November.
