Dear Parent / Guardian,

We are pleased to inform you that the school has teamed up with the **eco kids Textile Recycling Project**, to raise funds for the Friends of St Paul's School.

eco kids is a textile recycling project, designed especially to help raise funds for our school. We will receive up to **£500**/tonne or **£0.50**/kg which will give a boost to our fundraising efforts.

Not only is this an opportunity to raise much-needed cash to fund facilities and equipment for us. But this project also circumvents good, rewearable clothing and accessories going to landfill. With the help of **eco kids** we can actively educate and provide encouragement for the next generation to become involved in giving more consideration to the environment as well as extending the usefulness of their unwanted clothes.

We would very much like you, your family, relatives, friends and your neighbours to become involved.

Here is an opportunity to sort through your wardrobe and cupboards and put them in the **eco kids** bag provided, and/or your own bag, we kindly ask you to donate:

- **Good quality, dry, clean clothing**
- **Handbags & accessories**
- **Toys in new & working condition**
- **Paired, clean undamaged shoes**
- **Costume Jewellery**
- **Cosmetics**

If you fill the **eco kids** bag but still have lots more items to donate, then any white plastic bags will be acceptable.

We have arranged for **eco kids** to collect from our school premises on:

Thursday 2nd November

All bags must be dropped off at school by 9am

We would like to take this opportunity to give you and everybody involved, a big, big **THANK YOU** for supporting us with this **eco-friendly** fundraising opportunity.

Yours faithfully,

The Friends of St Paul's School
