The Friends of St Paul's School

Registered charity number 311003

Dear Parent/Carer,

On Monday 26th November, the Friends have arranged for a photographer to come in and take photographs of children in EYFS and KS1 in their nativity outfits. Your child's photographs will be available for you to purchase before their Nativity performance for £3.

During the Nativity dress rehearsals on the 3rd and 4th December, the performance will be recorded and available to pre-order and purchase on DVD via the Friends for £6 (2 for £10).

The school have already received your consent form to allow your child to be photographed and recorded for school productions, however, if you do not want your child to be included in the photographing or recording of the Nativity production please confirm this to the school office by filling in the slip below, before Wednesday 21st November.

Please note the photographs and DVD should not be shared online, they are for personal use only.

Kind Regards,
The Friends
