School Shoes

With God ALL THINGS ARE possible

Children are required to wear black shoes as part of our school uniform policy. From September, these shoes will be worn inside and outside unless using the play equipment, doing PE, playing football or using the Forest School.

Acceptable shoes are:

- Plain black (no coloured or contrasting trim, logos, flashes or branding)
- Flat, fully enclosed and below the ankle (no boots)
- Have sufficient grip and provide adequate support

These are examples of acceptable school shoes:

These are example of shoes that are not appropriate for school (trainers may be worn for PE):
